#### LOCATION

Dundee is located on the East Coast of Scotland approximately mid-way between Aberdeen, circa 105 km (65 miles) to the north and Edinburgh, circa 96 km (60 miles) to the south overlooking the Tay Estuary and has a resident population of circa 155,000 persons and a catchment of some 235,000 persons (Census 2011).

Dundee is Scotland's fourth largest City and is the regional centre for employment, services and retailing within Tayside. The City has its own airport with daily flights to London (Stansted) and sits on the main East Coast Railway Line which runs services into London (Kings Cross).

The ongoing regeneration as part of the water front development has been well documented and the opening of the V & A Museum in September 2018 is expected to significantly increase tourism and will help establish Dundee as a major regional centre.

The subjects are located within an established trade centre on the north side of Clepington Road, a main thoroughfare to the north of the City Centre.

There are a number of established occupiers within the development including Whittons Flooring, George Boyd, Auto Save and Highland Industrial Supplies along with a number of local retailers.

#### DESCRIPTION

The subjects comprise a mid terrace trade counter unit, of steel frame construction, with block walls, metal cladding, and a pitched roof.

The property has a metal framed and glazed pedestrian door to the front, with delivery access to the rear.

The development benefits from substantial private customer car parking to the front of the premises.

The property is currently equipped as a trade counter but offers the opportunity to be converted into a range of commercial uses, subject to the relevant planning consents.
