LOCATION

Dundee is located on the East Coast of Scotland approximately mid-way between Aberdeen, circa 105 km (65 miles) to the north and Edinburgh, circa 96 km (60 miles) to the south overlooking the Tay Estuary and has a resident population of circa 155,000 persons and a catchment of some 235,000 persons (Census 2011).

Dundee is Scotland's fourth largest City and is the regional centre for employment, services and retailing within Tayside. The City has its own airport with daily flights to London (Stansted Airport) and sits on the main East Coast Railway Line which runs services into London (Kings Cross).

The ongoing regeneration, as part of the water front development, has been well documented and the construction of the V & A Museum will help establish Dundee as a major regional centre.

The property is prominently located on the west side of Gardner

Street at its junction with Campbell Street approximately 1 mile to the north west of Dundee City Centre.

Gardner Street is a vehicular route linking Lochee Road to the south with Harefield Road and Strathmore Avenue to the north.

On street car parking is available within the immediate vicinity.

DESCRIPTION

The subjects comprise the ground and basement floors within a 4½ storey stone built tenement with private residential accommodation above.

The property benefits from a prominent frontage to both Gardner Street and Campbell Street and internally provides good open plan accommodation.

A hatch within the floor provides access to basement storage.
