- HMO granted and income producing, with projection of £600,000 per annum.
- Prominent location adjacent to Kingsway.
- Future Development potential on 3.89 acres (1.57 hectares) site.
- Offers over £4 Million invited.

#### LOCATION

Dundee is located on the East Coast of Scotland approximately mid way between Aberdeen (circa 105 kilometres (65 miles) to the north) and Edinburgh (circa 96 kilometres (60 miles) to the south) overlooking the Tay Estuary and has a resident population of circa 155,000 persons and a catchment of some 235,000 persons (Source: Focus).

Dundee is Scotland's fourth largest City and is the regional centre for employment, services and retailing within Tayside.

The City has its own airport with daily flights to London (Stansted) and sits on the main East Coast Railway Line which runs services into London (Kings Cross).

The ongoing regeneration as part of the water front development has been well documented and the opening of the V & A Museum will help establish Dundee as a major regional centre.

### Kingsway Apartments, Alloway Place, Dundee, DD4 8UA

The subjects are located on the northern outskirts of Dundee, with frontage to the Kingsway, Dundee's outer ring road, and are accessed off Alloway Place.

To the north there are rugby playing fields and a Morrisons Supermarket. Other surrounding occupiers include a housing association development and an NHS clinic.

#### Description

The subjects comprise purpose built student accommodation formerly operated by Abertay University. The buildings provide space for 144 beds and were constructed during the early 1980's and refurbished in 2013 and 2017. The site is arranged into 3 blocks of 6 flats which each flat comprising 8 single bedrooms with shared lounge/kitchen and amenities.

The buildings are 3 storey in height with additional projections to the side. The main walls are of brick construction, harled externally and with pitched concrete tiled roof over.

Also located at the front of the site are 2 detached caretaker bungalows of similar construction.

The site is serviced with tarmac access road and the remainder is landscaped/grassed surfaced.
