

2 CAIRD PARK MASTERPLAN (AN106-2006)

Reference is made to Article I of the minute of meeting of this Committee of 22 August 2005 regarding the Caird Park Masterplan. There have been ongoing discussions with Caird Park Golf Club in respect of proposals to amalgamate the 9 and 18 hole Starters Box.

The Committee is asked to note that following consultations with the Club it has been agreed that it would be of benefit to retain the status quo in the interest of customer care. It is further proposed that a Friends of Caird Park group will be formed to include the key users and stakeholders in the park together with golf club members to encourage local community involvement. The purpose of the group is to enhance linkages and joined up thinking within Caird Park and in addition to that to take forward the key elements to assist in the consultation process and taking forward the key elements of the Master Plan.
