

2 DUNDEE CITY COUNCIL (WEST END PERIPHERAL CAR PARKS) ORDER 2019 (AN52-2019)

Reference is made to Article II of the minute of meeting of the Policy and Resources Committee held on 21st February, 2019, wherein the Committee instructed and authorised the preparation of an Order introducing parking charges to the West End Peripheral Car Parks.

The proposed Order was duly drafted and during the statutory consultation period one objection was received.

The Order was duly advertised and a further 58 objections were received. Objections included the impact of introduction of charging, availability of parking spaces, requests for West End residents to be exempt from charging, impact on residential amenity and impact on local businesses.

Copy correspondence has been circulated to Group Leaders, Lord Provost Borthwick and Councillor Murray.

Having fully considered the objections, the benefits of introducing the Order including encouraging turnover of spaces and promoting sustainable travel remain valid, and, as such, the Committee is requested to make the Order despite the objections.
