STARTING THE TENANCY	YES / NO
Get the Tenancy Agreement right—if a short assured, issue the AT5 firstly. Sign, date and time the AT5 before you sign, date and time the Tenancy Agreement. The Tenancy Agreement should contain only fair and lawful terms. Model Tenancy Agreements can be found at: www.edinburgh.gov.uk/downloads/download/500/short_assured_tenancy_pack . This should be issued in advance to allow perusal time. *Advice shall follow in due course regarding the new 'Private Residential Tenancy'*	
Ensure your tenants have your contact details and know how to deal with disrepair issues which may occur, such as a broken boiler.	
Look around the property with your tenant(s). Show them where the stopcock is to turn off the water supply, how to switch off the electricity and how to reset the electricity if a fuse blows.	
Get a receipt for the Tenant Information Pack (this can be provided electronically if preferable).	
Hand over a copy of the keys to the tenant - A Key Agreement form will ensure you have signed authorisation to retain keys to the property and clarify when these can be used.	
Put the deposit into a Tenancy Deposit Scheme within 30 working days of the deposit being taken and notify the tenant in writing which Scheme is holding their deposit.	
Let the Council know a tenant is moving in so they have the information for Council Tax purposes. Tell the tenant you have done this.	
Arrange a visit in 3 months time to check the property and review things with the tenant.	
Consider joining a Landlord Accreditation Scheme or Association for ongoing guidance and support: www.scottishlandlords.com/about/joinus.aspx .	
**Remember - Do you wish to rent your property to 3 or more unrelated persons? If YES this would be a House in Multiple Occupation. This means you will need to adhere to a more stringent set of guidelines and requirements and will require a licence in addition to your Landlord Registration. See our HMO Factsheet for more information, and the Guidance Notes for full details: http://www.dundeecity.gov.uk/sites/default/files/publications/HMO%20Guidance%20Notes%20V5.7%20-%20October%202015%20%28Final%29.pdf **.
