

Your **NEW** food waste collection service

Dundee City Council is introducing a weekly food waste collection service across the City, making it easier for you to recycle even more at home. Your information leaflet will be inside your new caddies so look out for them being delivered soon!

**Starts
w/c 27th
February
2017**

Your food waste caddy and bins

**Collected
every
WEEK**

Kitchen caddy

For all types of cooked and uncooked food waste, it will even take bones.

Food waste bins 1 roll of free liners

- External food waste bins for flats will be installed in late January but please don't use these until you receive your kitchen caddy and information leaflet in late February.
- Come along to your local drop in session to find out more.
