

The Hilltown area of Coldside has a rich history dating back to pre 1800's and once had a dynamic range of small shops up and down its spine. This area is now at the heart of regeneration with the development of new schools and a community facility. The central point of Coldside Ward is Dundee Law. From this vantage point you can see the rest of the city and far beyond.

Coldside boasts a number of green and open spaces, including Dudhope Park which features one of Scotland's finest outdoor skate parks and the stadiums for Dundee and Dundee United football teams. Coldside was also home to the site of ten multis, recently reduced to four.

Coldside is the most central Ward in Dundee City. The boundary stretches from the roundabout at North Marketgait, to the Kingsway, the Milley and then to Lochee Road and includes Hilltown, Law, Fairmuir, The Glens and Dudhope community areas. There are approximately 19,730 people living in Coldside.
