ABOUT THE EAST END

The East End ward covers Douglas, Mid Craigie, Craigiebank, Linlathen, Craigie, Craigiebank, Cragiebarns and Gatterstone residential areas of the city, and has a population of 15,379.

The area benefits from the efforts of dedicated volunteers who maintain the Dighty Burn as a beautiful green corridor where walkers and cyclists can regularly spot herons, otters and a range of other wildlife and plants.

Local people are also involved in efforts to improve the many green and open spaces in the ward with plans to establish community growing spaces.

Craigie High School has gained recognition as a Human Rights Respecting School and pupils are encouraged to work within their community on intergenerational projects to provide e.g computer tuition, fundraising for sheltered housing complexes etc.

The iconic wind turbines of the Michelin factory produce all the energy required to run the plant, and the Factory Skatepark and Fun factory attract visitors from all over the city and beyond.

The East End Local Community Planning Partnership meets each quarter. It enables Council Department's to work together better with partner agencies at a local level. The aim is to deliver services and activities in a way which better meets the needs of people in the East End.

The Partnership meeting is chaired by Dundee City Council Head of Communities and is regularly attended by all four local elected members, senior staff from other key City Council Departments and planning partners including the Voluntary Sector, Police Scotland, Scottish Fire and Rescue Service and NHS Tayside. Community representation at the Partnership is drawn from local community organisations.
