

Promote opportunities to be involved in community life and support community organisations to have influence.

Organise targeted walkabouts to respond to community priorities and find ways to add value to green spaces.

Identify and implement proposals to address concerns and improve routes.

Strengthen The Ferry Health and Wellbeing Network to prioritise need and take action.

Find ways of targeting those who need support.

Deliver targeted advice to young people and their families around healthy lifestyles and internet/online safety.

You want more influence in your community.

You would like the quality of the environment, (green spaces, roads and footways) to be improved.

You were concerned about the safety of children getting to and from school.

Need more support for those who are isolated or suffering the effects of stress.

Some families need more support to make the most of opportunities available locally.

Young people need to know how to keep themselves safe.

WE WILL...

THE FERRY YOU SAID...

### LOCAL COMMUNITY PLANNING PARTNERSHIP

The Ferry Local Community Planning Partnership plays a pivotal role in leading on the delivery of priorities agreed within the Local Community Plan.

Local Community Plans are based on consultation with local communities and outline the agreed priorities which we will work together to tackle and address.

The Ferry Local Community Planning Partnership can award grants to help you improve your community.
