5. Links to Local and Regional Frameworks

Dundee's City Plan - the Local Outcome Improvement Plan developed by Dundee's Community Planning Partnership - includes a vision that Dundee:

- will have a strong and sustainable city economy that will provide jobs for the people of Dundee, retain more graduates and make the city a magnet for new talent.
- will offer real choice and opportunity in a city that has tackled the root causes of social and economic exclusion, creating a community which is healthy, safe, confident, educated and empowered.
- will be a vibrant and attractive city with an excellent quality of life where people choose to live, learn, work and visit.

The commitments in this plan will contribute towards achieving that vision.

Further work will be done during the course of this plan to demonstrate links to Regional Improvement Collaboratives and Regional Skills Investment Plans as part of our commitment to explore the scope for joint working on Gaelic with neighbouring authorities.
