WE WILL...

Hold two annual community events in conjunction with Morgan Academy. One focused on opportunities related to work and other activity in the community, other focused on celebrating achievement.

Host the city's contribution to National Play Day in Baxter Park on August 1st as part of a plan for play across Stobswell and the City Centre.

Consolidate the work of the Advice Cafe, Job Shop, Social Prescribing and link to the development of Community Hub activities in a variety of locations across Stobswell.

Increase the number of Community Growing spaces as part of developing a local food economy. Connect this work with challenging isolation and promoting wellbeing.
