

Robbies Trail

Healthwalks in Kirkton

Distance: 1¼ miles Approximate time: 25 mins

Robbies Trail

Directions

From the junction of **Helmsdale Place** and **Harestane Road**, Turn down **Harestane Road** – with the trees and the burn on your left – until you reach the sharp bend in the road at the junction with **Old Glamis Road**. At this point stay on the path and turn right onto the wide cyclepath and carry on until you reach the roundabout at the junction by **Mains Parish Church**. Stay on the cyclepath and follow it around to your right until you reach **Helmsdale Avenue** - again on your right. Carry on along Helmsdale until you reach Helmsdale Crescent. Follow the Crescent up to Helmsdale Place. Turn right up the place and keep going until you return to the junction with Harestane Road.

Points of Interest

- Used to be Tomatos grown by Newton Road
- Trottick Multis were the first multis built in Scotland
- Trees are really nice along Harestane Road
- A pleasant walk – no need to cross any roads
