### *A Special Person*

Read by Jim Stewart

Sometimes in life,  
You find a special person  
Someone who can change your life,  
Just by being part of it  
Someone who will laugh with you  
And cry with you  
Someone who can make you believe  
That there really is good in the world  
Love isn't the person  
You can see yourself with  
It's the person  
You can't see yourself without
