## LOCAL COMMUNITY PLANNING PARTNERSHIP

The Strathmartine Local Community Planning Partnership meets each quarter. It enables Council Department's to work together better with partner agencies at a local level. The aim is to deliver services and activities in a way which better meets the needs of people in Strathmartine.

The Partnership meeting is chaired by Dundee City Council Head of Democratic and Legal Services and is regularly attended by all four local elected members, senior staff from other key City Council Departments and planning partners including the Voluntary Sector, Police Scotland, Scottish Fire and Rescue Service and NHS Tayside. Community representation at the Partnership is drawn from local community organisations.
