

WEST END YOU SAID...

Repeated complaints about speeding and difficulties for pedestrians crossing roads.

There is a need to improve support services for adults who are lonely and isolated.

Perth Road as a shopping district lacks investment to enhance it for residents and visitors.

Residents are unaware of what services are available locally.

WE WILL...

Train Community Police Officers to use speed guns and target hot spots as well as provide more safe crossing points.

Improve co-ordination of locally based activities and services.

Enhance the appearance, improve the parking and produce a leaflet to help promote local businesses.

Develop a diverse range of ways to promote Community Information.
