

5 INSPECTION OF THE HOUSING SERVICE BY THE SCOTTISH HOUSING REGULATOR (AN113-2008)

The Director of Housing has received notification from the Scottish Housing Regulator that inspection of the Council's Housing Service has commenced. We have received an inspection submission document which has been completed and lodged with the Regulator on 30th May, 2008.

The Regulators' Inspection Team will commence a detailed inspection of the service by interviewing Council Officers, Elected Members, tenant and partner organisations. They will also observe housing staff on site and review our records. The Inspection Team will visit Dundee on 18th August and are expected to remain for three weeks.

Briefings on the process for inspection for Elected Members and tenants' representatives will be organised in the near future. Arrangements have been made for the Inspection Team to brief the Housing Working Group on 20th August, 2008.
