

2 DESIGNATED POLICE COMMANDER (AN130-2014)

The Police and Fire Reform (Scotland) Act requires that a designated Police Commander be appointed for each Local Authority area in Scotland. Chief Superintendent Hamish Macpherson has recently been moved to a new role within Police Scotland and the post of Local Police Commander for Tayside will therefore become vacant. The Chief Constable proposes to appoint Chief Superintendent Eddie Smith as the Local Commander for Dundee, Perth and Kinross and Angus. The Committee is asked to agree to this nomination.
