

## **1 SWIM CENTRES IMPROVEMENT PROGRAMME (AN131-2006)**

### **(a) OLYMPIA LEISURE CENTRE**

As part of the 2006/07 Improvement Programme for the Olympia Leisure Centre the following offers are recommended for approval:

- A quote has been received from Specialist Contractor, Aqua Systems, Denmark for an ultraviolet water treatment unit for Olympia Leisure Centre splash pool and Lochee Leisure Centre Pool for a total cost of £11,375.

In respect of water treatment using a UV unit significantly reduces the need for chemical dosing with associated improvements in the water quality and it is envisaged that this will assist in containing any costs related to both water charges and chemicals. It is recommended that the offer of £11,375 from Specialist Contractor, Aqua Systems, Denmark is accepted.

The total expenditure of £11,375 can be met from the Leisure and Communities Department's 2006/07 Capital Budget.

### **(b) LOCHEE SWIM CENTRE RADIOS**

A quotation has been received from Specialist Contractor, Ascom Tele Nova Limited, Kent in respect of a transceiver system for the use of the Lifeguards in respect of communication within Lochee Pool and as part of the lifeguarding duties in respect of pool safety. It is recommended that the offer of £10,894.40 from Ascom Tele Nova Limited, Kent, be approved.

The total expenditure of £10,894 will be met from the Leisure and Communities Department's 2006/07 Capital Budget.

### **(c) SWIM CENTRES HIGH LEVEL FABRIC TREATMENT**

A quotation has been received from Specialist Contractor, Northern Steeplejacks (Edinburgh) Limited, to undertake enhancement works to high level areas at the Olympia including treatment of concrete pillars and slabbing.

It is recommended that the offer of £6,195 from Northern Steeplejacks (Edinburgh) Limited is accepted.

The total expenditure of £6,195 will be met from the Leisure and Communities Department's 2006/07
