

5 SUPPORT SERVICES DEPARTMENT - ENVIRONMENTAL HEALTH AND TRADING STANDARDS - CHANGES TO ESTABLISHMENT (AN140-2006)

The structure and reporting relationships within the Food and Health and Safety Section of the Environmental Health and Trading Standards Department have been the subject of a review in light of forthcoming regulatory challenges.

To meet the demands, the review has identified the need for an Environmental Health Officer to be redesignated to Senior Environmental Health Officer.

The Committee is therefore asked to approve that a post of Environmental Health Officer, graded AP5-PO6, £23,739 - £30,288, be redesignated and regraded to Senior Environmental Health Officer, PO8-11, £31,860 - £34,176.

The cost of this change is £2,060 inclusive of employer's costs. This expenditure can be met with resources identified in the Environmental Health and Trading Standards Revenue Budget for 2006/07.
