

2 DESIGNATED POLICE COMMANDER (AN15-2021)

The Police and Fire Reform (Scotland) Act requires that a designated Police Commander be appointed for each Local Authority area in Scotland. Chief Superintendent Andrew Todd will shortly retire and the post of Local Police Commander for Tayside will therefore become vacant. The Chief Constable proposes to appoint Chief Superintendent Phil Davison as the Local Commander for Dundee, Perth and Kinross and Angus. The Committee's approval is sought.

In view of the timescales involved this agenda note was approved by the Executive Director of Neighbourhood Services in consultation with the Convener of the Community Safety and Public Protection Committee, Labour Group Spokesperson, Conservative Group Spokesperson, Liberal Democrat Group Spokesperson, the Lord Provost and the Independent Members.
