

## **6 CHANGE TO COMMITTEE TIMETABLE (AN167-2005)**

The operation of the Committee Timetable is kept under constant review to ensure that the Council's decision-making process runs as efficiently and effectively as possible. In view of the cross-cutting issues which can arise, it is suggested that it would be useful for the Communities Committee to be held on the same evening as the Education, Social Work and Housing Committees. In order to maintain a balance between the groups of Committees, it is suggested that one of the other Committees should effectively 'swap places' in the timetable with Communities, and that the most appropriate Committee to move would be Planning and Transportation. The revised timetable would then be as follows:

<b>Group 1</b>	<b>Group 2</b>	<b>Group 3</b>
City Council	Education	Development Quality
Dundee Contract Services	Communities	
Planning and Transportation	Leisure and Arts	
Economic Development	Environmental Sustainability	Services and
Finance	Housing	
Policy and Resources	Social Work	
Personnel		

The Committee is asked to approve the revised timetable of meetings and to ensure the smooth passage of Council business the change be implemented immediately following the summer recess.
