

## **12 NEW OLYMPIA - RENTAL AGREEMENT FOR FITNESS EQUIPMENT (AN184-2012)**

Offers for a rental agreement to cover four years for the provision, repair and maintenance of fitness equipment at the New Olympia were put out to tender.

An evaluation of the received tenders was carried out and it is recommended that the offer from DG Fitness & Leisure Ltd, being the most advantageous, be accepted.

The financial implications of the offer equate to a rental cost, including the repairs and maintenance, at the annual sum of £52,572. The tender includes additional equipment as the new gym is larger than the current gym at Olympia. The rental agreement will be financed through the Communities and Policy Division revenue budget over the next four years.

This reflects arrangements with equipment which is rented at the current Olympia and the other four leisure centres and where the service provided has been excellent to date in terms of response and content.

It is recommended that the rental for four years from DG Fitness & Leisure Ltd, Unit 5, Altens Trade Centre, Hareness Circle, Aberdeen, AB12 3LY be agreed.
