

3 SHELTERED HOUSING CHARGE 2008/09 (AN2-2008)

The sheltered housing budget for 2008/09 shows a breakeven position based on an increase of 50p per week in the service charge from 7th April, 2008. It is therefore recommended that the sheltered housing service charge for 2008/09 be increased by 50p to £25.50 per week for the financial year 2008/09.

On a reference to Article I of the minute of the meeting of the Housing Committee of 20th March, 2006, it is recommended that the phasing out of sheltered housing abatements be continued in 2008/09. The impact in 2008/09 to tenants will be a further 50p per week.
