

6. WASTE MANAGEMENT DEPARTMENT - REGRADING OF POST (AN207-2006)

Reference is made to Article II of the minute of meeting of this Committee of 13 January 2003, which approved a report establishing the post of Waste Strategy Officer, graded PO5-8, £29,541 - £31,860. Following a request by the Head of Waste Management, the Assistant Chief Executive (Management) has reviewed the duties and responsibilities of this post and recommends that the post be regraded to PO9-12, £32,631 - £34,965.

The cost of this proposal is £1,600, inclusive of employer's costs, in the current financial year and £2,021 in a full financial year and can be met from the Strategic Waste Fund.

The Committee's approval is sought.
