

9 CHURCH AND TEACHER REPRESENTATION ON THE EDUCATION COMMITTEE (AN213-2003)

The Council is required to appoint to its Education Committee three Church representatives, two of whom are to be nominated by the Church of Scotland and the Roman Catholic Church in Scotland, the third to be selected by the authority from other Churches and denominational bodies in their area.

In addition it has been the practice both under Tayside Regional Council and Dundee City Council to appoint two teacher representatives.

The Council is asked to confirm the above practice and remit to the appropriate officers to make the necessary arrangements to seek nominations for the appointments in the usual way and that the previous Church and Teacher representatives continue in their present capacity for a period of up to six months to allow arrangements to be made for new representatives to be appointed to the Committee.

The Director of Support Services will seek confirmation from the appointing bodies that they will require their appointees to comply with the Code of Conduct in accordance with the Standards Commission's Guidance on this matter.
