

4 OLYMPIA - KITCHEN EQUIPMENT REPLACEMENT (AN218-2008)

The Committee is asked to approve the replacement of kitchen equipment in Ollie's Cafe in Olympia Leisure Centre at a cost of £9,895 from Walton Catering Equipment Ltd. A Corporate Health & Safety inspection was undertaken in May 2008, which highlighted the need to replace certain pieces of kitchen equipment to allow it to conform to relevant legislation. In consideration of Olympia's projected lifespan and the cafe being a lease venue the recommendations were reviewed and specialist commercial kitchen equipment companies were asked to quote. Two quotes were provided:

Building Environmental Hygiene Ltd	£11,939 plus labour
Walton Catering Equipment Ltd	£9,895 including labour

The most efficient time to undertake these replacements would be during the annual maintenance closure in December.

The expenditure of £9,895 can be met from the allocation within the Leisure and Communities 2008/09 Capital budget.
