

## 2 WARD 2 - LOCHEE - RESIGNATION OF COUNCILLOR DON (AN224-2007)

It is reported for information that Councillor Don has intimated his resignation with effect from 24th August, 2007.

The Returning Officer will arrange a by-election for Thursday, 22nd November, 2007.

In addition it is reported that a review of all polling places is currently ongoing and a report will be submitted to the Council in November.

In the meantime, it is recommended that the following changes be implemented for the by election. In the case of ACA there are only 109 electors which is too few for a polling station. All other changes will result in improved access and parking for electors.
