

4 PROJECT BOARD - PUBLIC PRIVATE PARTNERSHIP (PPP) PROJECT FOR SCHOOLS (AN226-2003)

The Council operates a Project Board - Public Private Partnership (PPP) Project for Schools. The Board considers Officers recommendations and submissions of proposals to the Education Committee in relation to the Dundee Schools PPP Project.

The Project Board previously comprised seven elected members, one Church representative, two Trade Union representatives (one Teaching, one Support Staff), two School Board members (one Primary, one Secondary) and Officers. It is recommended that the non-elected appointees continue in their present roles.

The Committee's instructions are requested.
