

### **3 DUNDEE WOMEN'S FESTIVAL (AN232-2014)**

The Dundee Women's Festival has applied for assistance towards the costs of printing their programme and providing a co-ordinator/administrative worker (8 hours per week for 26 weeks) to meet the increased demand relating to a festival which has grown in scale and attendance. This worker will help the festival produce future programmes online, and is viewed as assisting the event to become sustainable.

It is recommended that a one-off award of £6,000 be approved and that the cost of this be met from the Third Party Payments Section of the Chief Executive's Department budget.
