

Sports Tayside & Fife is a partnership between Sportscotland, Fife Council, Angus Council, Perth & Kinross Council and Dundee City Council. The partnership delivers on the development of key sports in the region and links into the Councils sport development and facilities strategies. The Council is represented on the Executive by one member and one officer of the Leisure & Communities Department. It is, therefore, recommended that the Convener of Leisure, Arts & Communities is nominated to represent the Council together with an appropriate senior officer from the Leisure & Communities Department.

The Committee's consideration is requested.
