

13 QUALITY OF LIFE ADOPTED FOOTWAY REPAIRS (AN252-2005)

Reference is made to Article XIII of the Committee of 20th December 2004, when it was agreed to accept an offer from Ennstone Thistle Limited to carry out BNSF Kirkton Footway Repairs for the Unit Rate Contract tender sum of £68,688.

During the course of this contract in March 2005, additional works were identified including a further two footways and additional replacement kerbing. Committee is asked to note that these additional works, amounting to £24,000, were instructed to be carried out by Ennstone Thistle as an extension to the original contract. The cost of these works were met from within the Quality of Life Adopted Footways Revenue Budget 2004/05.
