

(b) CONVEYANCE OF SCHOLARS, INCLUDING SPORTS CONVEYANCE - CHANGE OF CONTRACTOR (AN256-2006)

The Committee is asked to note the Education Transport Contract DSP/12 that was approved for award to Mr John Neave Henderson at the Recess Sub-Committee on 20 July 2006 was formally awarded.

However, Mr Henderson was unable to fulfil the contract as he advised that during the tender period he had been awarded contracted work from another employer.

Therefore, the transport requirements for contract DSP/12 have been accommodated through contract DSP/83, details of which can be found in Report 470-2006 (Education Transport Contracts - Conveyance of Scholars, including Sports Conveyance).
