

6 EASTERN CEMETERY ROAD IMPROVEMENTS (AN26-2005)

Reference is made to Article IX of the minute of meeting of this Committee of 21 June 2004 where the Committee agreed that Tayside Contracts carry out various road repair works through the unit rate contract. Additional works have been identified at Eastern Cemetery which include the kerbing and tarring of a proportion of the road.

It is therefore recommended that Tayside Contracts, under their unit rate contract, carry out these additional works including professional fees and contingencies for £9,000.

There is allowance in the Leisure and Arts Capital Budget 2004/05 for the works and the road improvements programme to be carried out in March 2005.
