

1 CARPET BEDDING SCHEMES 2003 (AN260-2002)

The Leisure and Arts Department will have sites available for carpet bedding schemes at McManus Galleries Gardens in 2003. Traditionally these beds are planted to celebrate local or national events or charities.

Requests have been received from Couple Counselling Tayside (originally known as The Dundee Marriage Guidance) to celebrate 50 years of service to the Community and the Trefoil Guild to celebrate their Diamond Jubilee.

No further requests were received and it is therefore recommended that the two requests be approved.
