

10 BROUGHTY FERRY YELLOW AND BLUE FLAG INITIATIVE (AN315-2003)

Reference is made to Article III of the minute of meeting of this Committee of 17th March, 2003 when the Committee agreed to the purchase of 30 deck chairs and 15 windbreaks for Broughty Ferry Beach.

The purchase of deck chairs and windbreaks is part of the continued improvement of facilities along Broughty Ferry beach. To encourage their use it is recommended that a nominal charge of 50 pence per item per use be introduced. This charge will be collected by the Beach Lifeguards or Beach Attendants.
