

(b) DIVING DEVELOPMENT OFFICER (AN317-2004)

The Committee is asked to approve the contribution of £2,000 per annum towards the funding of the post of Scottish National Diving Development Officer. This is for a period of two years and will be contained within existing departmental budgets.

This is a new national post to be managed by Scottish Swimming. Dundee will receive a minimum of 14 on-site days and ongoing access to the officer for support in return for the investment.

The Scottish National Diving Development Officer (SDDO) will be responsible for the co-ordination and promotion of Coach Education Courses, local, regional and national events and the facilitation of diving activities in Scotland and more specifically in Dundee.

The identification of a National Diving Development Officer/coach has been identified within the new Aquatics Strategy 2004-2008.
