

3 MENZIESHILL HOUSING FOOTPATHS REPAIR 2005/06 PROGRAMME (AN325-2005)

Reference is made to Article XXIV of the minute of meeting of the Planning and Transportation Committee of 20th June, 2005, which approved a Partnering Agreement with Tayside Contracts for delivering the road maintenance and minor road works service. Since then, on the instruction of the Director of Housing, proposals have been prepared for carrying out footpaths repairs in the Menzieshill area.

Approval is now sought to authorise the City Engineer to include the additional footpath repairs within the Partnering Agreement with Tayside Contracts up to a value of £25,000.00.

The Depute Chief Executive (Finance) advises that the expenditure can be met from within the Housing Small Projects Fund 2005/06.
