

5 DUNDEE CITY COUNCIL (VARIATION OF WAITING RESTRICTIONS) ORDER 2007 (AN34-2007)

Reference is made to Article III of the minute of meeting of the Planning and Transportation Committee held on 17th April, 2006 instructing and authorising the preparation of an Order introducing further measures to vary the provisions of numerous existing Waiting Restrictions Orders affecting Dundee.

The proposed Order was duly drafted and during the statutory consultation period no adverse comments were received.

The Order was duly advertised and eight objections were received, three of which were later withdrawn. Copy correspondence has been attached herewith.

Following consultation with the objectors, it is recommended that the original proposals as amended as follows:-

- (a) the no waiting at any time at the junction of Westfield Avenue/James Place be deleted.
- (b) the no waiting at any time in James Place/Fisher Street be reduced to 10 metres either side of their junction with Church Street.
- (c) the no waiting at any time on both sides of Church Street north from Fisher Street/James Place be reduced to five metres north from the junction.
- (d) at a future review of waiting restrictions the no waiting at any time on both sides of Church Street south from King Street be reduced to 10 metres south of the junction.

The Committee are therefore requested to authorise the making of the Order subject to this amendment.
