

6 ADVENTURE ACTIVITIES AGENCY LICENSING (AN354-2003)

The Committee are advised that on 9 July 2003 the Council was granted a new corporate licence from the Adventure Activities Licensing Agency reference RO 396. The inspection resulted in no remedial actions to be undertaken.

Inspectors advised that:

“The Council’s restructuring of outdoor education provision under the Communities Department had resulted in major benefits in efficiency and in managing overall safety”.

Further comment was made over “the improvements and maintenance of equipment and the thorough and systematic attention to health and safety management in the planning and execution of operational activities”.

The Committee is asked to note this favourable inspection report on the corporate delivery of outdoor education tuition activities and the reissue of a new corporate licence to the Authority.
