

4 OLYMPIA

(a) CLOSURE FOR ESSENTIAL REPAIRS (AN375-2006)

To enable the Olympia annual equipment survey and essential maintenance programme to be carried out, Committee approval is requested for Olympia to close from Monday, 4th December to Sunday, 17th December, 2006 both dates inclusive.

Annual works include boiler and filtration plant refurbishment, together with deep cleaning and tile replacement.

Alternative facilities are available at Lochee Swimming and Leisure Centre during the closure period.
