

6 DAWSON PARK FOOTPATHS IMPROVEMENTS 2006/2007 (AN378-2006)

Reference is made to Article IX of the Planning and Transportation Committee of 20th June, 2005, which approved a Partnership Agreement with Tayside Contracts for delivering the road maintenance and minor road works service. On the instruction of the Director of Leisure and Communities, proposals have been prepared for carrying out footpath improvements within Dawson Park.

It is recommended that the City Engineer be instructed to extend this successful Partnering Agreement to undertake the improvements of these footpaths.

Approval is therefore sought to authorise the City Engineer to extend the Partnering Agreement with Tayside Contracts for these footpath works up to a value of £10,000.

The Depute Chief Executive (Finance) advises that the expenditure can be met from the Leisure and Communities Capital Programme 2006/2007.
