

**9 WASTE MANAGEMENT DEPARTMENT - ESTABLISHMENT OF FIXED TERM POST (AN39-2005)**

At its meeting of 21 June 2004, the Environmental Services and Sustainability Committee considered Report No 476-2004 (National Waste Strategy - Projects Planned for Implementation in Dundee 2004/05). It was reported that a grant had been successfully obtained from the Scottish Executive Strategic Waste Fund for assistance in meeting the national waste diversion and recycling targets.

In order to assist this initiative being taken forward, the Committee is now asked to approve the establishment of one part time (20 hour) post of Commercial and Recycling Assistant, graded Tech 1, £14,466 - £15,405 pro-rata.

The financial implications associated with this report will be met in full from the Strategic Waste Fund.
