

**1 FINANCE DEPARTMENT - REVENUE DIVISION - CHANGES TO ESTABLISHMENT (AN39-2007)**

The Assistant Chief Executive (Management) and the Depute Chief Executive (Finance) have undertaken a review of the workload within the Fraud Section. There is a requirement to support the Specialist Investigation Officer in taking action on Benefit Fraud and it is necessary to make staffing changes to ensure an efficient service delivery.

Accordingly, the Committee is asked to approve the following: -

- (i) the establishment of a post of Sanction Assistant, graded GS3/AP1 (£14,829 - £16,518).
- (ii) the deletion of a post of Benefit Fraud Assistant, graded GS3/AP1 (£14,829 - £16,518).

This proposal will have no cost implications for the Revenue Budget.
