A prominent open space of 1.97 acres (0.8 hectares) between Marlee Road and Torridon Road is in need of improvement. The site requires to be re-landscaped, including tree works, ground contouring, construction of footpaths and footpath resurfacing etc.

The work is estimated to cost £26,860 and can be met from the provision of £100,000 allowed for public open spaces under the Quality of Life funding in 2004/2005.

It is recommended that the works be carried out by Dundee Contract Services at an estimated cost of £26,860.
