

## **10 VACANT AND DERELICT LAND FUND 2004/2005 (AN433-2004)**

The Committee is asked to note that in August 2004 the Scottish Executive confirmed a grant of £4m (£2m for 2004/2005 and £2m 2005/2006) to help deal with vacant and derelict land and property in Dundee.

The projects included in the schedule for 2004/2005 include:

- (a) peripheral locations – landscaping and remedial works in the Dighty Valley at Baldovie (including development of a BMX track) and Midmill; Longhaugh Quarry; Whitfield and Trottick; and
- (b) inner city locations – acquisition of derelict property and demolitions by the Council, and assistance with demolition by others, in the Stobswell and Hilltown area to remove dereliction and to facilitate development; and roadworks in Stobswell to facilitate development of a vacant site.
