

7 SCOTLAND'S HEALTH AT WORK - BRONZE AWARD (AN434-2004)

It is reported that the Housing Department has been successful in achieving the bronze category of award made by Scotland's Health at Work (SHAW) and that work will now continue towards achieving the silver category of award.

The Committee is asked to give recognition to this achievement and to note the work undertaken by the department in progressing the principles of SHAW towards encouraging and enabling a healthier workforce.
