

## **5 OLYMPIA CLOSURE FOR ESSENTIAL REPAIRS (AN446-2005)**

To enable the Olympia annual equipment survey and essential maintenance programme to be carried out, Committee approval is requested for Olympia to close from Monday 5 December to Sunday 18 December 2005 inclusive.

In addition to capital works involving structural repairs and upgrade of lighting and cubicles, annual works including boiler and filtration plant refurbishment together with deep cleaning and tile replacement will take place during closure.

Alternative facilities are available at Lochee Swimming and Leisure Centre during the closure period.
