

8 YOUTHLINK SCOTLAND POLICY FORUM (AN449-2003)

Following elections held in August 2003, Tony Boffey, Manager, Communities Department, was appointed to the Policy Forum established to guide the policy direction of YouthLink Scotland. There are clear benefits to Dundee City Council of their being represented on the Forum which will act as the Government's advisory body for youth work in Scotland.

The Committee is asked to agree to Mr Boffey taking up this appointment which will involve periodic meetings during business hours.
