

7 TAYSIDE BIODIVERSITY CO-ORDINATOR (AN471-2003)

The Committee is asked to approve expenditure of £1,750 as Dundee City Council's contribution to the post of the Tayside Biodiversity Co-ordinator. This can be contained within the Leisure and Arts Revenue Budget for 2003/2004. A similar control has been committed by Angus and Perth and Kinross Councils. This will allow the existing three year post to be extended from 1st November 2003 until 31st March 2004.
